FRESH INNOVATION

Email: akhxin@akhxinpower.com

Address: 201-203, 1th Building, Jiayu Environmental Protection Industrial Park, No. 162, Shajiang Road, Songgang Street, Baoan District, Shenzhen, Guangdong, 518105

About Akhxin

Akhxin(Shunhetai Shenzhen technology co., Ltd) is a professional **custom power bank factory** based in ShenZhen, China, with over 10 years of production experience. It has already obtained the **ISO9001 quality management system certification**. We design and manufacture distinctive, high-quality power banks for 500+ brand clients worldwide, enabling their products to stand out in competitive markets.

Akhxin factory offers a one-stop service, featuring a professional design team, a large-scale injection molding workshop, a CNC workshop, advanced testing equipment, and modern storage facilities, ensuring stable production capacity and consistent quality control.

Our power banks have obtained certifications including PSE, FCC, CE, RoHS, KC, 3C, and UL. We offer **ODM and OEM services** with flexible customization options, including patterns, colors, materials, packaging, and branding. With a low MOQ of just 200 pieces per model, we can tailor production plans to your budget and market needs.

Why 500+ Brand Clients Trust Akhxin?

Over the past decade, we've earned the trust of 500+ brand clients with real factory capability, strict QC, custom solutions, and fast delivery of power banks worldwide.
